Design Competition

We challenged all children to design their own place of worship as either a drawing, mosaic, collage, painting or model in any media. Each class were judged by

the Ethos Council to find a winning entry per class. Thank you very much to all children who took the time to submit an entry.

In Spring Term, our Ethos Council raised money so that school could sponsor a Guide Dog. They have now decided to sponsor Norman. We look forward to following his progress in his training and with his lifelong owner.

We have welcomed Miss Shelly Price to school who is supporting us with the SEND administration in our school. Please see the attached letter of introduction from her.

Thank you to Mrs Lee and her teams of Litter Pickers for their walks that help keep our local streets and community clean. This is part of a Bolton wide Big School Clean initiative that is also helping raise awareness of responsible litter disposal with our children

Well done to all our football teams that took part in the Bolton School Tournaments last week.

About this app

Parental engagement app between Parents and
Schools about their children's

School no longer uses the SIMS system as the management of information software (MIS) and for finance software. Therefore, we will not be using the **School Gateway** payment system.

Bromcom is our new MIS and has been adopted by most schools in Bolton. As part of this, the new payment system will be MCAS or MyChildAtSchool Parent App.

Please download the app as we move towards future communications, payments and much more, via the app.

Information on how to utilise the app will be sent in the near future.

Thank you.

Head Teacher: Mr Simon Charnock

22nd April 2025

Dear Parents,

I would like to introduce myself as the new Special Educational Needs and Disabilities Co-ordinator (SENDCo) at St Andrew's: Miss Shelly Price. I currently work as a full time SENDCo at another local primary school, but will be at St Andrew's School for 1 day a week supporting school leaders, teachers/teaching assistants and pupils to ensure the early identification and support of pupils with additional needs. I have worked in primary schools for the last 16 years in various different roles, but have been a SENDCo for the last 7 years.

If you have any questions or would like some more information around my role in school, please speak to your child's class teacher or myself and we will do our best to help. Alternatively, you can contact school with any queries related to Special Educational Needs via email to:

send@standrewsoh.bolton.sch.uk

I look forward to getting to know all of the children and families at St Andrew's.

Miss S Price
