About this app →

Parental engagement app between Parents and Schools about their children's

School no longer uses the SIMS system as the management of information software (MIS) and for finance software. Therefore, we will not be using the **School Gateway** payment system.

Bromcom is our new MIS and has been adopted by most schools in Bolton. As part of this, the new payment system will be MCAS or MyChildAtSchool Parent App.

Please download the app as we move towards future communications, payments and much more, via the app.

Information on how to utilise the app will be sent in the near future.

Thank you.
