Out of School Tax Free Child Care

If you or your partner both work and earn between minimum wage and £100,000 per year, you are probably eligible to **save 25%** on Childcare costs with HMRC Tax Free Childcare.

It is very easy to apply and school have already registered. Each month you add funds to your HMRC account and **for every £8 you pay, they give you a £2 top up**. Payments are then made direct to school by HMRC.

It is quick and easy to upload the voucher to school Spider, and then book in to sessions in exactly the same way as we have always done but instead of paying by card, you use your voucher credit. You can cancel sessions for a refund back to your voucher or make changes up to 24 hours prior to the session just like paying by card. For more information please visit <https://www.gov.uk/tax-free-childcare>

Information is also available on the Out of School Club page on the school web site

Parental engagement app between Parents and Schools about their children's

School no longer uses the SIMS system as the management of information software (MIS) and for finance software. Therefore, we will not be using the **School Gateway** payment system.

Bromcom is our new MIS and has been adopted by most schools in Bolton. As part of this, the new payment system will be MCAS or MyChildAtSchool Parent App.

Please download the app as we move towards future communications, payments and much more, via the app. Thank you.
